

GREAT TASTE BY DESIGN

Best flavors, best practices. We live these principles every day through the relationships we build with customers, the strength of our Custom Flavors team, our connection to the local community as well as daily operations designed to protect the environment. Great service and extraordinary flavors - this is our promise to you.

As a family-run business, we've created a company culture that's defined by collaboration, team spirit, loyalty and innovation. Custom Flavors' success is built on three key ingredients – personal relationships, top industry knowledge and responsiveness to every customer.

ORGANIC • NATURAL • NON-GMO • LIQUID AND POWDER FLAVOR MANUFACTURING

At Custom Flavors, our passion, commitment and experience come through in every flavor we develop.

Let us show you how art and science create the quality that sets your product apart.
